Dear Steve,

I write to express our thanks and satisfaction with the first rate service provided in furnishing the interior of our new staff residential accommodation development. The quality and timeliness of your service was exceptional.

In addition, we appreciated your advice and help in areas where the budget was limited. The friendliness of you and your staff was exemplary, and nothing was too much trouble throughout the whole process. Despite difficulties and delays not of your making, delivery and fitting was done very efficiently.

Our senior management and staff residents are delighted with the finished development to which you were a major contributor.

On behalf of the Trust, may I congratulate you on a job well done, and wish you and your Company all the very best for the future.

Yours sincerely,

Peter Jones
